PROVINCIAL BOARD OF
HEALTH.REGULATIONS OF THE PROVINCIAL
BOARD OF HEALTH RESPECTING
BARBER-SHOPS, BARBER SCHOOLS
OR COLLEGES.

WHEREAS it is provided by the "Health
Act" that the Provincial Board of Health
may issue regulations for preventing or miti-
gating infectious or contagious disease:

And whereas, as syphilis and certain para-
sitic skin-diseases may be propagated by the

instruments and hands of the barbers, the said
Board deem it wise to issue certain regulations
respecting all and singular the premises:

It is therefore provided as follows:—

1. No barber-shop, barber school or college
shall be used as a living, dining, or sleeping
apartment. No shop shall be operated in any
store or restaurant, except that the sale of
tobacco, newspapers, and candy in original pack-
ages and shoe-shining are permissible in con-
junction with such shop. A shop may be located
in a pool or billiard room, provided that such
shop is partitioned off by means of a solid wood,
metal, or part-glass partition from floor to
ceiling.

2. Floors, walls, furniture, and fixtures of
barber-shops, barber schools or colleges shall at
all times be kept clean, and all jardinières and
cuspidors shall be thoroughly cleaned at least
once a day.

3. Every barber-shop, barber school or college
shall be supplied with clean hot and cold water
in such quantities as may be necessary to con-
duct said shop or school in a sanitary manner.
The hot-water receptacles shall hold not less
than five gallons and shall be connected directly
with a wash-basin in the shop, and where
municipal water-supply and sewage-disposal
are available, connection must be made with
the municipal water system to the basin and
from the basin to the sewerage system.

4. If municipal water-supply or sewage-dis-
posal is not available, any privy or cesspool
maintained for the use of the proprietor or
employees must be of a type which is satisfac-
tory from a sanitary standpoint.

5. Shaving-soap shall be used only in powder,
paste, or liquid form.

6. A separate and clean towel shall be used
for each customer. Towels once used must be
laundered before being used again.

7. All razors, scissors, combs, or other instru-
ments in general use shall be sterilized by im-
mersion in boiling water before each use.

8. Hairbrushes in general use shall, at fre-
quent intervals, be immersed in a strong
solution of lysol or carbolic solution, and after-
wards rinsed in clear water and dried with a
towel or by heat.

9. Shaving-brushes in common use shall be
subjected to the same treatment of immersion
and afterwards rinsed in very hot water.

10. Powder shall only be applied by a blower
or on absorbent cotton or towel; such cotton or
towel shall be used for one customer only.

11. Before passing from one customer to
another, the barber shall wash the hands, using
soap, preferably carbolic, and a nail-brush.

12. The use of the alum-stick, frequently
used to stop the flow of blood, shall be discon-
tinued, and replaced by calcined alum, a powder
which can be applied on cotton wool, which shall
be thrown away immediately afterwards.

13. The use in common of the same vaseline-
pot is abolished. Vaseline shall only be used
from a squeeze-tube.

14. Sponges shall not be used.

15. Razor-strops shall only be used for razors
which have previously been disinfected.

16. The hair-cutting wrapper, so commonly
used in barber-shops, shall be placed only
around the shoulders of customers, and fastened
with a safety-pin or other device at the back,
and clean towels shall be used about the neck
to prevent hair falling down.

17. All barbers, apprentices, or students shall
wear a coat of a washable white material.

18. Spitting on the floor shall not be allowed.

19. All bath-tubs, after use, shall be thor-
oughly scrubbed with hot water and soap-
powder in such a manner as to leave the tub
free from scum or other evidence of dirt, and
then thoroughly wiped out with a clean towel.

20. No person suffering from any skin or
infectious disease shall be employed in any
capacity in or about any barber-shop, barber
school or college, or bath-house. No barber,
apprentice, or student shall serve a person

afflicted with any contagious or infectious disease.

21. The entire interior of every barber-shop, barber school or college, or bath-house must be properly ventilated and maintained in a scrupulously clean and sanitary manner at all times.

22. Any barber-shop, barber-school, barber-college, or bath-house operated under conditions which in the opinion of a Health Officer under the "Health Act" are prejudicial to the public health or safety may be closed by a Health Officer, Provincial or other authorized Inspector.

23. A printed copy of these regulations shall be conspicuously displayed in every barber-shop, barber school or college in the Province.

24. Failure on the part of the owner or manager of any of the aforementioned establishments to comply with any of these regulations shall render the owner or manager liable, upon summary conviction, to the penalties prescribed under section 112 of the "Health Act," being R.S.B.C. 1924, chapter 102.

25. In these regulations the expression:—

(a.) "Barber-shop" means any place where in barbering, as defined in the "Barbers Act" is performed; and shall be any premises, buildings, or any parts of a building or place whereupon or within, where barbering or any branch or branches of barbering, as defined in the "Barbers Act," is carried on.

(b) "Barber school" or "college" means a place in which ten or more barber-chairs are being operated by apprentices or students being taught barbering under the direct supervision of a barber registered under the "Barbers Act."

NOTE.—The regulations approved the 17th day of June, 1931, and amendments thereto approved the 23rd day of September, 1932, and the 1st day of March, 1935, are hereby rescinded.
